

Tk - 5th Grade Shrek Cast List

Letter from Production Team:

Thank you to everyone who auditioned for Temecula Valley Charter's production of Shrek. We were thrilled to see such wonderful talent at auditions and are so proud of everyone's hard work. Unfortunately, we were unable to cast everyone who tried out. Casting decisions were based on multiple factors such as talent, maturity level, academic teacher input, etc. Below is the cast list for Shrek. (Apologies for any student whose name may be misspelled. We had over 178 students who auditioned).

Since we had such a large turnout at auditions and our space at West Valley High School is very limited, we have decided to **triple** cast the Tk - 4th graders. Each cast will rehearse and perform on different days.

"Once Upon a Time" Cast will rehearse on **Mondays** from 3-4pm.

"Ever After" Cast will rehearse on **Tuesdays** from 3-4pm.

Fairytales" Cast will rehearse on **Thursdays** from 3-4pm.

The exception to this is our 5th graders who will *not* be triple casted and will perform in every show. 5th graders should plan on attending as many rehearsals as possible, at least twice a week if they can! We understand Monday rehearsals were not planned and were not on the original audition information sheet. Therefore, **if your child cannot attend rehearsals on Mondays, please email/ message me and I'll place them in a different cast.** I will try my best to keep elementary classes, friend groups, and siblings together, rehearsing on the same day. The triple cast rehearsal schedule will be posted/ emailed by Monday, February 16th. The cast list which includes all soloists/ speaking parts for elementary students will be posted by Friday of this week by 3pm.

Our hope is that the triple cast students will receive two performances over the course of the performance weekend. Although we are still finalizing things with West Valley, below are our new proposed performance dates:

Performance Dates:

Thursday, April 23rd 6pm - Once Upon a Time Cast
Friday, April 24th 6pm - Ever After Cast
Saturday, April 25th 2pm - Fairytale Cast
Saturday, April 25th 6pm - Once Upon a Time Cast
Sunday April 26th 2pm - Ever After Cast
Sunday, April 26th 6pm - Fairytale Cast

All elementary students, including 5th graders will have their final bow and be released at intermission this year. Call time (when students should arrive with in costume with their hair and makeup done) for matinees will be 1:30pm for the 2pm show (with the exception of soloists/ speaking parts whose call time will be an hour before show) while student's call time for evening shows will be 5:30pm for the 6pm show. The first half of the show is roughly 40 minutes long so students should be picked up at around 2:40pm for matinees and 6:40pm for evening shows.

Shrek rehearsals will not begin until the last week of February. The tentative rehearsal schedule has been posted to my website.

Many blessings,

Production Team of Shrek
